The 2024 plans include a separate out-of-pocket maximum for the medical and the prescription drug benefit. There is no action that you need to take on this change for 2025.

## 2025 Highlights

### Omada® Diabetes & Weight Management Program

New Diabetes and Weight Loss Services through Express Scripts: Including GLP-1 & Lifestyle Change Support available for UnitedHealthcare HMO plans

#### Overview:

Virtual program to help members who may need to manage diabetes with 1:1 personal coaching, specialist support, and the tools needed to make long-term health changes.

#### What does this mean for members?

- Personalized, 1:1 Omada Health Coach support
- Fast monitoring with smart devices & tools
- Expert lifestyle guidance from a Diabetes Specialist
- The program has no additional cost to members

### EncircleRx Available to UnitedHealthcare HMO Members

#### Overview:

Works on the back-end, engaging with the value care programs to verify GLP-1s are prescribed to patients who need them most to achieve a healthier weight. Ensures the programs are working as intended (e.g., appropriate).

EncircleRx supports two value care programs:

- Diabetes management
- Weight loss

#### Overview:

- GLP-1 coverage will now be available to qualified members through Express Scripts' EncircleRx benefit.
- Omada is a stand-alone product, but it also is embedded in EncircleRx. If you do not use EncircleRX, you can still use Omada.

## Kaiser Hearing Aid Benefit

### Overview:

- A new hearing aid benefit of a \$5,000 allowance per device, per ear, every 36 months.
- No action necessary – this new benefit will be automatically included in 2025 Kaiser plans.

### Why was this change made?

To align benefits between HMO plans. Previously, all other VEBA HMO plan options covered hearing aids.

### What does this mean for members?

- Better equality between coverage options.
- More comprehensive ongoing hearing health support. This benefit renews every 36 months.

### Applies to Plans:

All Kaiser health plans offered through California Schools VEBA.

## Provider Searches

### Find Your UnitedHealthcare (UHC) HMO Provider

To choose a provider for the UHC HMO plan, here are step-by-step instructions. In an HMO, you see your PCP first for most medical issues. You do not need a referral for mental health, chiropractic, or OB/GYN services.

To find provider or facility:

1. Go to [whyuhc.com/csveba](https://www.whyuhc.com/csveba)
2. Select “Search for a Provider” that appears near the top of the page
3. Scroll down and choose from the plan options
4. Select “Continue”
5. Select “Change Location” and enter your ZIP code, then select “Update Location”
6. Now you can search by People, Places, Service and Treatments, or Care by Condition

### How to Find Your UMR PPO Provider

For the UMR NexusACO PPO plan, you will need to select a PCP. Follow the directions below to find a provider or facility:

1. Go to [umar.com](https://www.umar.com)
2. Click on “Find a Provider”
3. In the search box, enter “NexusACO” to bring up the UnitedHealthcare NexusACO Network, or scroll down to the “U” menu and choose the UnitedHealthcare NexusACO Network
4. Click “View Providers” to be taken to the search menu
5. Search by Name, Specialty, Facility, or Zip code

Choose a Tier 1 PCP for the highest level of coverage

### How to Find a Chiropractic or Acupuncture Provider (for UHC and Kaiser plans)

Provided by OptumHealth Physical Health of California, which gives you access to a network of over 2,700 providers.

Three ways to find a provider:

1. Go to [myoptumhealthphysicalhealthofca.com](https://myoptumhealthphysicalhealthofca.com) and select “Provider Locator.” Choose “California Schools VEBA” from the drop-down menu for Plan/Product
2. Call Optum Member Services Monday - Friday from 5 am-5 pm at **800-428-6337** for the most current and up to date information
3. Call the provider directly to schedule an appointment and verify they are part of the Optum network for VEBA

## Digital ID Cards

All VEBA carriers are transitioning to digital ID cards. Physical member ID cards will no longer be automatically mailed to you. Instead, quickly download a digital ID card.

### Digital ID Card Benefits:

- Physical plastic ID cards are wasteful and slow in mail delivery.
- Stay connected to membership details with just a few taps.
- An updated card is available within 48 hours if a PCP or plan is changed.

Digital ID card instructions by carrier can be accessed in [MyVEBA](#).

- Log in with your last name, date of birth, and the last four digits of your Social Security Number
- Click “VEBA Health Benefit Plans”
- Click the “Access Your Carrier ID Card” tile
- Locate your plan carrier and follow the instructions

**Still prefer a physical ID card?** No problem! You can still request a physical ID card directly from your carrier. Contact information for each VEBA carrier can be found [here](#).

## Common Healthcare Terms

Healthcare and health insurance can be confusing — especially when commonly used words and terms are unfamiliar. We've put together this guide to commonly used phrases to help make engaging with your benefits and care a little easier.

**Benefit:** Any service or item covered by a health plan.

**Coinsurance:** The percentage of costs for care you are responsible for paying.

**Copayment/Copay:** The fixed amount you pay for medical services, such as office visits or prescription medicines.

**Cost Share:** The share of the costs for care that you are responsible for, including deductibles, copays, coinsurance, and other costs not covered by your health plan.

**Coverage:** The costs of your medical services and prescription drugs that your health plan pays.

**Deductible:** What you pay each year before your health insurance begins to make any payments for claims. Not all health plans require a deductible.

**Health Maintenance Organization (HMO) Plan:** In an HMO plan, you must see your Primary Care Physician (PCP) first for most medical issues. Your PCP will refer you to any specialists you may need to see.

**In-Network:** Health plans contract with providers and health facilities. They are considered "in-network". When you get care from an in-network provider or use an in-network facility, you save money.

**Network:** A collection of providers and healthcare facilities who contract with a health plan to provide services to members at a rate that is less than their usual fees.

**Out-of-Network:** Providers and healthcare facilities who do not contract with your health plan. For most plans, if you go out-of-network, you will likely pay more.

**Out-of-Pocket (OOP) Maximum:** The most money you will spend in a plan year out of pocket for your medical or prescription drug coverage. After this point, the plan pays 100% of eligible expenses. The OOP may be separate for medical and prescription drugs.

**Over-the-Counter (OTC).** Medicines you can buy without a prescription.

**Preferred Provider Organization (PPO) Plan:** In a PPO, the plan offers both in-network and out-of-network coverage. You can see any doctor but will pay less when you use an in-network provider.

**Premium:** The payment made for an insurance policy, usually monthly.

**Primary Care Physician:** A physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine) who acts as a primary source of health services for a member either directly or through coordination of services.

**Specialist:** A provider who focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent, or treat certain types of symptoms and conditions.

## Prescription Drugs

UHC, UMR, and Surest members get their prescription drug benefits through Express Scripts. Your copay and coinsurance amounts are based on where you fill your prescriptions.

Non-EAN coinsurance amounts are based on where you fill your prescriptions. Non-EAN pharmacies will charge an additional \$5 copay per prescription. For the lowest copays, be sure to utilize an Express Scripts Advantage Network (EAN) pharmacy. If you continue to use a retail pharmacy after three fills of your medication, then you will pay the maintenance copay for a 30-day supply.

### Short-Term Drugs
