Good afternoon Seniors,

First of all, we want to thank you for your patience and understanding during this very confusing and unprecedented time. We appreciate your patience and fortitude as our district has had the difficult task of evaluating and making decisions on senior activities, taking into consideration the safety and well-being of all students. District officials did not take this task lightly and have been careful to take their time, in hopes that the conditions of COVID-19 would improve.

Unfortunately, as we are all aware, there are still many restrictions in place for large gatherings. These restrictions have forced our vendors to cancel Prom, senior breakfast and GradNite 2020. All stakeholders have waited as long as they could to make this difficult decision because we understand the importance of these events to you and your classmates. Our hearts hurt knowing that this is not the senior year you expected, but your health and well-being are our main priorities.

With the cancellation of these senior activities, anyone who purchased a ticket to any of these events can request a refund.

Once you confirm that you purchased a ticket for any of these senior events, please click on the link below and take a few minutes to fill out the google form. This will help us expedite the process of issuing refunds by ensuring proper names and mailing addresses(Checks will be written out to parents ONLY).

Please know that we will make every effort to get these refunds to you in a timely manner, but it may take up to 2 - 3 weeks to receive your check in the mail. Due to safety considerations, there is currently not an option to pick up your check in person.

We know how difficult this has been for you and that you may still have unanswered questions. We are here to support you now and throughout the rest of your senior year. While there are many things beyond our control, we are still exploring opportunities to celebrate you and the rest of the Class of 2020. Although some of these ways may not be traditional, they will strive to highlight the amazing things that you and your classmates have accomplished.

Please stay safe, take care, and as always, if you have any questions, please feel free to contact me via email at david.lopez@sweetwaterschools.org

Respectfully,

David Lopez
