

Fundraising Voluntary Participation Notice

Dear Parent / Guardian,

With the continuing desire to financially support multiple programs on your campus, fundraising is a potential source of income to achieve this goal. Per Education Code 49010 "Any school or school district is prohibited from *requiring* students to pay student fees as a condition for participation in an educational activity including extracurricular activities." Parents and students are encouraged to participate in this fundraiser with the understanding that participation is completely voluntary and that participation in fundraising does not impact your student's ability to participate with any (Team, Group, Club, Class).

Our programs also accept voluntary donations and will provide you with a Tax Free ID number for your records upon request. Donations are not mandatory, and are not required in order for your student to participate in our programs.

Our schools may also provide prizes and/or recognition for our top fundraisers. Thank you in advance for supporting our (Team, Group, Club, Class)

I acknowledge that my student's and my participation in fundraising or donating is completely voluntary and is NOT a requirement or condition for participation.
