

Principal's Message

"The Focus At Hilltop Is Academics"

Welcome to the new Hilltop Lancer website! We hope to provide you with updated information from all facets of our school community. We will also provide links to district websites.

Hilltop High School continues its academic growth for three years in a row. Our CAHSEE scores were some of the highest in the district. Congratulations to our students and staff for making Hilltop a great school.

Construction continues at HHS throughout this academic year and next. After its completion HHS will have a state of the art digital photography lab, computer lab, classrooms and moderate-severe facilities. Phase II will see the modernization of the boy's and girl's PE area among other buildings.

We are here to support parents and students. HHS will open a new Parent Center devoted to offering parent tools to support your child's academic success. If you have any questions regarding your child's education, feel free to contact the Counseling Center at (619) 476-4220 or the Administrative Office at (619) 476-4200. We look forward to supporting our students' success.

Ernesto Zamudio
Principal
