First Day of School: Wednesday, July 24, 2024

Dear Bonita Vista Middle School Families,

Families, we are almost ready to begin our 2024-2025 academic school year here at Bonita Vista Middle School! Our staff has been working diligently to ensure a smooth opening. Below is some important information we would like all our families to know.

On the first day of school, Wednesday, July 24, 2024, students should arrive at least 15 minutes before school starts. They should look for posters in the quad area and near the front of the office. The posters will tell them where to get their schedule/locator cards. Students should find their last name on the list and go to the corresponding classroom number. After getting their locator card, they should be careful not to lose it, as they'll need to show it to each teacher at the beginning of every class. It's a good idea for them to take a picture of the card just in case they lose it on the second day. *Student schedules will also be available on Jupiter Grades and Infinite Campus Parent Portal beginning on Tuesday, July 23, 2024. Class change request forms will be made available on our counselor's corner website by Tuesday, July 23, 2024: <https://sites.google.com/sweetwaterschools.net/bonitavistamiddleschool/welcome-to-bvm?authuser=0>

In the first ten days of both semesters, students' schedules might be adjusted to ensure balanced and optimal class placements for everyone. Our counselors work hard to ensure every student receives the best educational experience. We appreciate your patience and understanding during this process, as our goal is to create an environment where each student can thrive academically and personally.

This Wednesday (July 24, 2024) is a minimum day so students will be released at 12:50 pm. From then on, every Friday will be a minimum day, and Monday through Thursday will be regular days, with students being released at 3:10 pm.

For safety reasons, please do not drop off your child at school before 7:30 am. However, the library is open at 7 am for students who want to come early and work quietly (beginning on August 5). They should stay in the library and avoid wandering around campus.

Here is our bell schedule for the first day of school:
