Dear Castle Park Middle School Community,

It is with great pleasure and enthusiasm that I write to you as the newly appointed Principal of Castle Park Middle School. Many of you may already know me, as I had the privilege of serving as the Assistant Principal during the 2016-2021 school years. After a year and a half away at Eastlake High School, I am thrilled to be returning to Castle Park Middle School.

During my time at Castle Park Middle School, I witnessed the incredible dedication and commitment of our staff to create a nurturing and inclusive environment for our students. Together, we cultivated a sense of belonging and a school community that continues to thrive on collaboration and excellence. I am truly honored to be a part of this community once again. As we embark on this new chapter together, our vision for Castle Park Middle School remains steadfast—to create a place where all Knights want to be. I am deeply committed to fostering a safe, supportive, and engaging environment that nurtures the academic, social, and emotional growth of each student.
